

GREAT LEADERS

Lead like an Achiever – Build Great Results

Achievers™ focused on the most effective behaviors to lead yourself – Great Leaders targets the skills required to achieve great results leading others.

Great Leaders leverages the learning of Achievers™ to expand your insight of the specific behaviors required to build your influence and achieve great results through others. Increase your ability to lead effectively by mastering the Basic Elements of a Leaders' Life™, including goal-setting, delegation, communication and stress management. Learn strategies for working with the most difficult personality patterns you encounter, whether at work or in your personal life.

Great Leaders is the next step in building your personal mastery and influence as a leader, taking your development to a higher level with advanced techniques for building new habits and skills. This will give you enhanced tools for a lifetime of leadership, creating permanent improvements that will benefit you every day.

YOU WILL LEARN TO:

- Gain a deeper understanding of the Achiever Model™ and your Bell Personality Profile results.
- Formulate a more detailed concept of the results that you produce by how you personally execute the Basic Elements of a Leader's Life™.
- Build comprehensive insight of the 6 personality patterns that produce effective leadership, and the 6 personality patterns that produce ineffective leadership.
- Implement the three main responsibilities of a leader, while motivating others to work hard, smart and together.
- Develop the skill set needed to lead others, recognizing and working with their extreme behaviors.
- Establish an action plan to further your personal leadership development.

“ I truly enjoy and appreciate Dr. Bell's leadership courses. They have been the **MOST IMPACTFUL LEADERSHIP TRAINING** in my life, and I am hopeful all leaders at Dot who attend will receive the same positive impact. ”
