THE LEADER'S ROUNDTABLE

An Executive Peer Council for C-Suite and Senior Leaders led by Bell Leadership Experts

BUILD YOURSELF, BUILD YOUR PEOPLE, BUILD YOUR BUSINESS

The year-long Leader's Roundtable is an executive leadership development program personally designed by Dr. Gerald D. Bell to assist C-suite and senior executives in becoming world-class leaders. The Leader's Roundtable will teach you how to build your personal leadership effectiveness so that you can lead others successfully to grow your business. In today's environment of constant, rapid changes, increasing demand for immediate access to products and services, and unprecedented visibility coupled with external scrutiny, business agility is more important than ever. Investing in yourself and your leadership skills by assessing not only where you are, but who you are, yields the highest returns and will set your company in the right direction.

THE BIGGER YOUR JOB, THE BIGGER YOUR RESPONSIBILITY

At Bell Leadership Institute, we understand that you are in a unique position. The higher you go in your company, the more opportunities and challenges you face, and the fewer people you can talk with who truly understand. It can be "lonely at the top," but you are not alone. The Leader's Roundtable is a small, exclusive group of leaders from diverse, non-competing industries. This allows you to share your ideas, questions and perspectives in a confidential setting with peers who understand the weight of your daily responsibilities, and who can provide valuable insight and feedback. Bell Leadership's trainers and coaches will also support you, drawing on years of experience with highly-successful leaders such as yourself.

THIS YEAR-LONG, TWELVE-DAY PROFESSIONAL DEVELOPMENT PROGRAM IS AN IN-DEPTH, GROUP-LIVE, HIGHLY-PARTICIPATORY LEARNING EXPERIENCE WITH PRACTICAL TAKE-HOME VALUE.
