

# ADVANCED TEAMWORK

Create effective teamwork among your people

Great teamwork does not happen by accident. Leading effective teams requires intention, insight and a deep commitment to the success of the group. Effective teambuilders lead in a way that causes their teams to engage, commit and work together to reach a common goal.

With increased complexity, divergent goals and unique roles in organizations, fostering teamwork among a diverse team requires advanced teambuilding skills. **In Advanced Teamwork, you will learn how you personally impact teamwork on each of your teams.** You will be able to pinpoint what circumstances require increased teambuilding actions and the key indicators of high performance on your teams. Participants will detail and apply the skills required to create engagement among team members, so they work “hard, smart and together.”

## KEY LEARNINGS & TAKEAWAYS

- **Identify the characteristics of the best teams** and what can derail them.
- **Assess the effectiveness of your teams** and determine which require greater teamwork.
- **Build strategies to work effectively with “team busters.”**
- **Learn methods for promoting alignment and teamwork** throughout your organization.
- **Develop personal skills to increase teamwork** with those you influence.

““ When senior leaders are given the opportunity to grow and the responsibility to mentor, they can exert a powerful force for education, productivity and loyalty in an organization. ””
